### The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (*Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013*)

I. Details of the Institution	n		
1.1 Name of the Institution	Raghavendra Institute of Pharmaceutical Education & Research (RIPER)		
1.2 Address Line 1	K. R. Palli Cross		
Address Line 2	Near S K University		
City/Town	Ananthapuramu		
State	Andhra Pradesh		
Pin Code	515721		
Institution e-mail address	riperatp@gmail.com, riperatp@rediffmail.com		
Contact Nos.	9866025099, 9866098322		
Name of the Head of the Institution	Dr. Y. Padmanabha Reddy		
Tel. No. with STD Code:	08554 - 255646		
Mobile:	+91 9848543932		
Mobile:	191 9040343332		

Name of the IQAC Co-ordinator:	Dr. P. Ramalingam			
Mobile:	+91 9581294478			
IQAC e-mail address:	riperatp@gmail.com			
1.3 NAAC Track ID (For ex. MHCC	OGN 18879) APCONG25558			
1.4 NAAC Executive Committee No. & Date: (For Example EC/32/A&A/143 dated 3-5-2004. This EC no. is available in the right corner- bottom				
of your institution's Accreditation	ı Certificate)			
1.5 Website address:	www.riper.ac.in

1.2 (i) Flexibility of the Curriculum: CBCS/Core/Elective option / Open options (ii) Pattern of programmes:

	Pattern	Number of programmes
	Semester	2
	Trimester	
	Annual	3
1.3 Feedback from stakeholders* (On all aspects)	Alumni 🖌 Parents	s 🖌 Employers Students 🖌
Mode of feedback :	Online ✓ Manual	Co-operating schools (for PEI)

\*Please provide an analysis of the feedback in the Annexure

1.4 Whether there is any revision/update of regulation or syllabi, if yes, mention their salient aspects.

- 1. To improve the academic regulations and course structure.
- 2. To strengthen the Industry-Institute interaction.
- 3. To comply with rules and regulations of regulatory bodies like JNTUA, PCI, AICTE etc.
- 4. To meet the requirements of accreditation council and board.
- 5. To enhance the quality of teaching-learning process and assessments.

6. To provide career support programs, training for enhancing quality in placements and higher education.

7. To create bench marking with other institutes of repute.

1.5 Any new Department/Centre introduced during the year. If yes, give details.

- 1. Separate examination building construction is completed.
- 2. Development of DST-FIST laboratory

# Criterion – II

# 2. Teaching, Learning and Evaluation

2.1 Total No. of
permanent faculty

Attended	27	39	04
Presented papers	07	14	02
Resource Persons	04	04	02

2.6 Innovative processes adopted by the institution in Teaching and Learning:

- Student assisted teaching (SAT): Selected Pharm. D and Pharm. D (Post baccalaureate) V/VI and M. Pharm II year students are assigned the responsibilities of conducting undergraduate practical classes, seminars, journal club presentation, drug club presentation, case presentation under the supervision of faculty members.
- Self-directed learning and skills development (SDL): Students are encouraged to learn the theoretical backgrounds of practicals to be conduct and correlate the same with the actual conduct of practicals. This concept helps them to know the importance of the procedure adopted for the conduct of practicals, which in turn helps them in the development of skills.
- Hands on training on instrumentation, Presentation of research papers / innovations in Pharmaceutical sciences through Journal club.

- Intensive coaching for GPAT and Guidance for other Competitive examinations.
- Comprehensive evaluation of the students performed periodically through quiz, oral viva test, assignment writing, unit test, online MCQ test etc.
- Personality Development programme includes various activities like skit, debate competition, Elocution competition, group discussion, Essay writing etc. for the overall grooming of students.
- Guest lectures, conducting of workshops and conferences at National & International level upgradation of knowledge and overall development.
- Providing facility of printed journals enables the students for reading with regular updates in Pharmaceutical sciences.
- Involvement of students in National Service schemes, Journal club, Sports, Cultural activities, short films etc., not only develops the inner skills of the students but also provides platform to learn beyond curricula by this student get exposed to the outer world and its challenges.
- To provide Drug information services using recent & advanced, excellent software Micromedex by Poison & Drug Information Centre (PDIC) established in Institution and RDT hospital, Bathalapalli.

193

- 2.7 Total No. of actual teaching days during this academic year
- 2.8 Examination/ Evaluation Reforms initiated by the Institution (for example: Open Book Examination, Bar Coding, Double Valuation, Photocopy, Online Multiple Choice Questions)
- 2.9 No. of faculty members involved in curriculum restructuring/revision/syllabus development

as member of Board of Study/Faculty/Curriculum Development workshop

- Note: For 2017 admitted batches in all programmes PCI syllabus is followed as per the rule of PCI.
- 2.10 Average percentage of attendance of students
- 2.11 Course/Programme wise

Distribution	of pass percentage:
--------------	---------------------

Title of the Programme	Total no. of students		Ι	Division

B. Pharmacy	80	52.5	25.00	16.25	3.75	97.50
Pharm. D	30	73.33	20.00	6.67		100
M. Pharmacy	59	71.18	25.42	3.38		100
D. Pharmacy	60	43.33	25.00	10.00		78.33

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes:

- Regular feedbacks taken from students, alumni, faculty and parents by IQAC. Meetings regularly held for the discussion of the feedbacks between departmental IQAC committee and faculty of the department.
- To strengthen teaching & learning processes, institute has installed CCTV in strategic points as well as classrooms for centralized surveillance.

Yes

- Revision of the curriculum, by taking feedback by students, self-appraisal of faculty, etc., review teaching learning process to improve quality teaching.
- Conducting stakeholders meeting
- Annual recommendations to the principal

2.13 Initiatives undertaken towards faculty development Yes

Faculty / Staff Development Programmes	Number of faculty benefitted
Refresher courses	02
UGC – Faculty Improvement Programme	
HRD programmes	
Orientation programmes	01
Faculty exchange programme	01
Staff training conducted by the university	02
Staff training conducted by other institutions	08
Summer / Winter schools, Workshops, etc.	05
Others

Administrative Staff	12		2	
Technical Staff	36		1	

# **Criterion – III**

### 3. Research, Consultancy and Extension

3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

- IQAC Cell is working in direction to conduct various conferences & workshops to promote the knowledge of faculty & students as per the current scenario in the research.
- IQAC cell is also working in direction to submit research proposals to various funding agencies in order to fetch grants and promote research activities of various departments in the institution.
- In addition to this, IQAC cell along with the R & D Cell monitors the smooth functioning of research activities in the departments.
- MoU with abroad universities, hospitals, industries and R & D companies for training students in up-coming research areas.
- Promoting consultation works in Pharma research and IPR related works.

2,50,000	
10,00,000	
3,00,000	

15,50,000/-

# Criterion – V

### 5. Student Support and Progression

5.1 Contribution of IQAC in enhancing awareness about Student Support Services

- IQAC motivates the students through their mentors to participate in various activities based on their strengths and weaknesses. The student's skills are polished and their weaknesses eliminated to maximum extent during their entire duration of study at the Institute.
- IQAC provide disseminating guidance related to future prospects of the career by employers, alumni and foreigner students.
- Moreover, placement cell along with IQAC actively involved in carrying out various activities by personality development programs, lectures on resume preparation, facing an interview etc. The aim of these activities is to place all the students in well, recognized industries, suitable Hospitals and Educational Institutions.
- The students who are slow in their learning or if their grasping power is not up to the mark, the faculty members identify such students at the beginning of the session and for them remedial coaching classes & counseling facility is available through mentor – mentee system.

Contribution of IQAC in various committee in enhancing awareness about student support services

- **Cultural committee** plans and schedule cultural events for the academic year and encourages students for active participation in cultural events.
- **Grievance and redressal committee** ensures effective solution to the student grievances with an impartial and fair approach. It encourages the students to express their grievance freely and frankly without any fear of victimized and advices faculty to be affectionate to the students and not behave in vindictive manner towards any of them for any reason.
- **Hostel committee** ensures healthy and happy environment with all necessary amenities such as food, bed, washroom and safer accommodation all through surprise visits and continuous supervision.
- **Sports committee** conducts interclass, intra class, inter college and state level competitions and encourages students for active participation in all sports.
- **Women's Empowerment Cell** enhances self-confidence in women students and staff of the institution. It organizes women empowerment programmes and facilitates congenial environment so that women at work place may not subjected to gender specific discrimination.
- **Student Council** contain students as members and proposes activities to the college that would improve the quality of college activities.

5.2 Efforts made by the institution for tracking the progression

- Institution conducts regular meetings with all the class teachers, programme-in- charges, Head of the departments for discussion related to not only academic progress but also overall progress of the students.
- Student's daily and monthly attendance intimated to their parents through phone call and memo (if the student has lack of attendance).
- Meeting arranged if necessary with the parents. Furthermore, correlation of the activity with attribute developed also done.

#### 5.3 (a) Total Number of students

5.4 Details of student support mechanism for coaching for competitive examinations (If any)

- Intensive GPAT coaching for the students of RIPER and other colleges located in the Ananthapuramu region and giving guidance for other Competitive examinations.
- Preparation and utilization of GPAT Database containing more than 1000 MCQs in Pharmacology, Pharmaceutics subject and more than 700 MCQ in each subject like Pharmaceutical Chemistry and Pharmacognosy, syllabus, reference list as well previous GPAT papers from last 5 years.
- GPAT coaching conducted for third year and final year students. In context, Institute conducting different subject wise coaching sessions from subject experts from various institutions and from the industry.
- Online and Offline Pre-GPAT grand tests has been conducted during their coaching tenure.

No. of students beneficiaries			74	Ļ

5.13 Major grievances of students (if any) redressed:

There is no any major grievance was reported but various complaints are received and resolved at first level as per the grievance cell of RIPER.

# Criterion – VI

### 6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

**Mission:** To enable our students to develop into outstanding professionals and aware of the immense responsibilities to make the world better in the field of pharmacy. **Vision** 

To create professionally competent and socially sensitive pharmacists, capable of working in multifaceted environment with newer evolving technology.

### 6.2 Does the Institution has a management Information System

Yes, Raghavendra Institute of Pharmaceutical Education and Research (RIPER) having the management information system. The institution manages the activities like records, accounts, student attendance, tuition fee, student performance, instrumental costs, library and all purchases through information management systems.

6.3 Quality improvement strategies adopted by the institution for each of the following:

### 6.3.1 Curriculum Development

1. RIPER regularly organizes guest lectures by eminent personalities from the universities as well as industry.

2. RIPER Organized workshops at department level involving experts from industry/research organizations.

3. RIPER organized the certificate programmes, workshops and hands on training and refresher programmes in the pharmacy from academia and industry.

4. The Board of studies (BoS) of RIPER constituted with members from industry, expert faculty and student representatives to improve the curriculum.

5. The feedback collected from students and alumni for curriculum and suggestions placed in BoS meetings. High Priority given for employability and quality based education.

### 6.3.2 Teaching and Learning

1. The conventional as well as modern teaching methods are adopted by the faculty of RIPER for delivering the classes using LCD and OHP projectors.

2. Pre-planned academic calendar released before the end examinations by the academic co-ordinator for smooth running.

3. Conducting Journal Club for faculty, Ph. D Scholars, students of PG, Pharm. D and UG, Student seminars, assignments, mini-projects, industrial tours, fieldwork and internships are part of the curriculum in majority of the programs.

4. The meritorious students are recognized and awarded with special prizes.

5. The backward students recognized with scholar ships.

6. At the end of the semester, the feedback received from the students are analysed and appropriate measures taken to improve the quality system.

7. RIPER follows the Mentor and Mentee relationship for continuous support from the faculty to improve student's academics and their personal behaviour.

- 6.3.3 Examination and Evaluation
  - 1. Class tests and midterm examinations conducted in the institution as per autonomous rules and regulations.
  - 2. Problem based learning examinations conducted to evaluate the students.
  - 3. Conducting the National level model tests like GPAT, PGCET and NIPER.
  - 4. Revaluation and challenge valuation are allowed.
  - 5. Photo Copy of the script provided to the student on demand
  - 6. Publication of results within one month.
  - 7. Grievances cell for examinations.
  - 8. Online publication of results

6.3.4 Research and Development

- 1. RIPER have been approved as centre for pharmaceutical research as per JNTUA, Ananthapuramu.
- 2. All the laboratories in RIPER are upgraded with major instruments, which are beneficial to the students & faculty in their current area of research.
- 3. IQAC team of RIPER advices faculty and students to participate actively in interdisciplinary research activities.
- 4. Faculty are advised to write proposals for research grants for various regulatory bodies like UGC, AICTE, CSIR, DST, ICMR etc.,.
- 5. Institution encourages students to involve in research at their basic level by providing them with seed money.
- 6. Inviting visiting professors from various organizations like ICMR, CSIR etc. to provide research knowledge i.e., what research activities happening in the current industry / in the market.

6.3.5 Library, ICT and physical infrastructure / instrumentation

- 1. RIPER having the well-established library with Wi-Fi facility, more than 1499 titles and 11,427 volumes, 41 national journals, 19 international journals.
- 2. RIPER having the facility of 92 online resources and more than 1600 dissertation reports.
- 3. RIPER having well-established classrooms with projectors, seminar halls, laboratories etc.
- 4. The amenities such canteens, hostels, playgrounds, indoor auditorium and common halls are available.
- 5. RIPER having the centralized analytical laboratory.
- 6. Instrumentation upgraded in the all laboratories with recent versions, for the purpose of research activities to the faculty and students.

6.3.6 Human Resource Management

- 1. RIPER, has been recruiting employees based on the requirement to keep staff-student ratio as 1: 15 for UG and 1:12 PG programmes.
- 2. The HRD of RIPER encourages faculty to develop their teaching and research skills by attending and organizing conferences/seminars/workshops /training/refresher programmes.
- 3. RIPER promotes the faculty development programmes of various specializations.
- 4. Required number of administrative and supporting staff recruited for smooth running of the institute.

6.3.7 Faculty and Staff recruitment

- 1. Department /Section notify the required / vacant posirion to "*Recruitement and promotion team*" / Principal.
- 2. Principal officially conveys to the management and avails permission from management.
- 3. Institution advertises the notification in official website (clearly mentioning about eligibility, deadline of submission of documents, and contact information of the institute).
- 4. After the last date of application and the *Recruitemnt and promotion team* review all applicant CV and finalize the list candidates for telephonic intereview with the opinion of concern HOD / Principal.
- 5. All suitable candidates will be initially interviewed by telephonic conversation.
- 6. Further, the suitable candidates from telephonic screening will be called for demo class (regarding content of delivery, communication skills and knowledge in subject) / in person interview by *Recruitement and promotion team*" and further appointment be made based on feedback from students /concerned HOD/ section heads.
- 7. Initial appointment will be on adhoc / temparaty basis for a period of one year. The regularization will be done only after the proven evidence of job responsibility at the satisfactory levels.
- 8. In case faculty, the faculty will be eligible for ratification by university only after two years of service in regular position, provided that faculty credentials are up to the satisfactory level in both academic and research.
- 9. Lab technicians recruited based on their practice and experience related to the respective

6.3.8 Industry Interaction / Collaboration

- 1. RIPER is having interaction and collaboration with reputed research organizations, industries and institutions in India and abroad.
- 2. RIPER having MoU's with
  - Walksman Selman Pharmaceutical Pvt. Ltd
  - Rexer Pharma Pvt Ltd
  - Amix Pharma
  - Pellets Pharma Ltd
  - Trimurthy formulation Pvt Ltd
  - RA Chem Pharma Ltd
  - RDT Hospitals, Bathalla palli, Anantapuramau, Andhra Pradesh
  - SVGM GOVT. Degree College, Kalyandurg, Anantapur
  - The University of TOLEDO

### 6.3.9 Admission of Students

- 1. 70% of seats (Category-A) are filled into all courses of pharmacy is made by the government, basing on the performance in common entrance test conducted by Andhra Pradesh State Council for Higher Education (APSCHE).
- 2. The remaining 30% of admissions is made by the institution basing on the performance of students in common entrance test /Intermediate.

6.4 Welfare schemes for

Teaching/	1. House loans 2. Personal loans 3. Family pension 4. Health
Non-teaching	insurance
Students	1. Health Insurance 2. Merit Scholarship 3. Fee waiver for weaker sections payment of fee in instalments 4. Earn while you learn scheme (PG Students)

6.5 Total corpus fund generated

en done	Yes	✓	No	

6.6 Whether annual financial audit has been done

6.7 Whether Academic and Administrative Audit (AAA) has been done?

Audit Type	E	xternal	Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	Yes	PCI, SBTET	Yes	IQAC
Administrative	Yes	PCI, SBTET	Yes	IQAC

6.8 Does the University/ Autonomous College declares results within 30 days?

For UG Programmes

For PG Programmes

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?

JNTUA implementing barcode system and online question papers.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

Yes

JNTUA has been encouraging affiliated colleges for autonomous.

6.11 Activities and support from the Alumni Association

- 1. RIPER conducts every year alumni programme to the old students. The alumni association committee maintains a list of all the addresses of the old students.
- 2. Visiting lectures by eminent alumni arranged by institute to motivate and to share their industrial knowledge.

6.12 Activities and support from the Parent – Teacher Association

1. IQAC of the institution collects feedbacks from the parents regularly and implements the advices given by the parents in both academic and non-academic. 2. College conducts parents meetings annually in which parents interacts with faculty for the development of all respective courses.

6.13 Development programmes for support staff

1. The institution conducted various workshops towards faculty to train them in their expertise areas, also provides the basic knowledge and developments in different areas of pharmaceutical sciences for their continuous growth in research field like computer aided drug design, quality by design and language skills etc.

2. Establish collaborative network with other universities & industries with MOU.
3. Dated 31/03/2017 MOU with Toledo University by the RIPER institution provides a wide scope for the faculty to expose their research knowledge with the faculty of Toledo University and vice versa.

6.14 Initiatives taken by the institution to make the campus eco-friendly

- RIPER has power connections with a central substation, control panel and power room. Breakers are available at substations and control panels are available at power room. Panels and distributions boxes are available at individual departments.
- Switching off / unplugging fans, lights, air conditioners, computers, printers, and electrical equipment when not in use and the same written on foam sheet in every floor.
- Energy saving equipment recommended for few chemistry practicals by using microwave oven and Ultrasonicators.
- Use of glass windows for maximizing use of available natural light in operational areas. Classrooms and labs designed in such a way that natural lighting and ventilation provided.
- Use of plastic bags discouraged within the premises of the college.
- Solar water heaters arranged in women hostel for hot water for the use of renewable energy. Fire extinguishers installed in each laboratory, library, animal house and corridors. The usage of fire extinguishers demonstrated to the faculty and lab technical staff by expert personnel. Sand buckets kept at various locations and refilled it every year.
- The institution increased herbal plants (medicinal garden) and laid lawn at campus and in front of hostels for creating eco-friendly environment.

# Criterion – VII

### 7. Innovations and Best Practices

- 7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.
  - Guidance provided to the students to prepare for various competitive exams.
  - Institution is taking feedback regarding syllabus from the final year students and other stakeholders. Based on this feedback college gives suggestions for syllabus revision.
  - Scholarship to meritorious and needy student.
  - Timely declaration of results of semester exams
  - Awareness about the relevance of NAAC and quality assurance in higher education for enhancing the employability of students.
  - Taking measures to achieve paperless administration.
  - Focus on multidisciplinary and collaborative research
  - Organizing Job melas
  - The involvement of students in the academics increased, like class work attendance, paper presentations in Conferences / Seminars.
  - The student's participation in cultural activities, NSS activities, health awareness rally and sports also increases.
  - The students volunteers collecting money from the all the students and faculty to help the orphans with the name of HOPE.
  - The V & VI Pharm. D students providing the complete drug information from DIC.
- 7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year
  - The plan of action by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year.
  - The entire outline for the academic journey for the year 2016-17 framed by the IQAC based on the vision and mission of the institution.

Plan of action	Action taken report (ATR)		
To construct separate examination	New building construction is going		
building for smooth & secure	to finish within span of 1 or 2		
execution of examination activities	months.

companies / industries for campus	campus recruitment and most of
recruitment.	them selected & appointed.

7.3 Give two Best Practices of the institution (please see the format in the NAAC Self-study Manuals)

1. Giving of Support to the faculty members to fetch grants from various funding agencies in the form of research projects, attending various orientation, refresher programs, conferences / seminars / workshops / short term courses, availing study leave and publishing research papers to update their academic and research profile.

2. Students and faculty member of the department regularly involved in various activities like providing drug information from PDIC to the villagers by conducting mega health camps, plantation, blood donation, health awareness programs, rally's through NSS.

\*Provide the details in annexure (annexure need to be numbered as i, ii, iii)

7.4 Contribution to environmental awareness / protection

- From the inception, the Institute gave higher priority in the development and maintenance of eco-friendly atmosphere in the campus.
- Motivated the students to keep their surroundings green and clean by undertaking plantation of trees.
- Motivated students to imbibe habits and life style for minimum waste generation, minimize use of plastic bags etc.
- Solar panels arranged in the campus to get renewable/alternate energy.
- Check dams constructed in some areas to protect ground water and to improve water harvesting.
- The institution organizes several programs through NSS like Mass Plantation, swachh bharat and awareness programs in near villages.

Yes

7.5 Whether environmental audit was conducted?

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

#### Strength:

- Encouraging the students in all aspects of studies, competitions, conferences, workshops by giving proper mentoring
- Efficient faculty members with proficient knowledge, Blend of young and experienced team members, good infrastructure (Sophisticated Analytical Facility), interdisciplinary nature of academic programmes, ICT Facilities, Teamwork, a good number of research projects fetched from funding agencies and collaboration with the various industries and institutions.
- UG & PG Boards of Studies of the Departments reviews the academic progress every semester and invites suggestions for further improvement of the academic environment.
- For student's hands on training for instruments in all departments.
- Introduction of mini degree programme to M. Pharmacy students.
- Industry academia interactions are strengthened by MOUs.

### Weakness:

- Alumni association is yet to be strength.
- Service conditions and processes are not well defined.

### **Opportunities**:

- Introduction of new PG programme, Mini degree.
- Resource mobilization through paid consultancy
- Make use of infrastructure for collaborative research
- Effective and useful MOU's with industries and institutions.

### Threats:

- Insufficient admissions in future in B. Pharm as well M. Pharm programs due to increase in number of pharmacy colleges in the State as compared to demand.
- Documentation is not very effective in some areas need to improve.

### 8. Plans of institution for next year

- To start new PG courses along with existing courses
- Planning for the more Industrial / Institute collaboration
- Increase representation of teachers for state/ national/ international level conferences, seminars and workshops, refresher and orientation courses, faculty development programs.
- Getting more research grants.
- Get more funds and grants and organize various seminars, conferences, workshops and etc.
- Increase the research activities and publication in good quality impact journals.
- To promote Major and Minor Research programs
- Enhancing Campus placement activities
- Development of Indoor and Outdoor sports and cultural facility
- Strengthening of ICT facility
- To offer certification courses on QbD and Regulatory Guidelines.
- Higher performance and results in competitive examinations.
- Establish collaboration works with the collaborated Industries, Universities and Research organizations.
- Development of anti-microbial lab
- Service conditions and process to be defined
- Strengthening of alumni association
