Resolutions of 6th IQAC Meeting

Date: 05-06-2019

With reference to the mentioned agenda of meeting conducted on 4th June 2019, following are the appraisal and recommendations by IQAC.

1. It was noticed that the duration of PG project is found to be short (6 months). R & D has to carefully review and recommend to academic council to increase the duration of Project work for PG students.
2. Increasing the need of technological advancements, the faculties are advised to take measures to maximize the utilization of ICT tools in teaching.
3. To improve the research attitude among the students, IQAC recommended HODs to conduct Research methodology workshop to the students and also recommended to ask the PG students to write more number of articles.
4. IQAC directed R & D to channelize the research project funding department wise and advised the faculty to go for more number of proposals.
5. IQAC requested the IT team and HODs to come out with the plan of improving the PERCEPTION in NIRF ranking within 15 days.
6. To improve the quality of publications, the IQAC recommend reviewing the plagiarism policy and suggesting the faculty and students to focus on publications only on indexed journals.
7. HODs are advice to look after the training of their young/new teachers of their respective departments to cope with institutional requirements.
8. HODs shared their updates regarding NIRF progression to IQAC cell. The committee members were satisfied with progression.
9. Pharmacology departmental Head put forth need of establishing Tissue culture station. IQAC recommended R & D to look in to the matter and workout for the Possibilities.

Resolutions of 8th IQAC Meeting

Date: 29-01-2020

With reference to the mentioned agenda of meeting conducted on 28th Jan. 2020, following are the appraisal and recommendations by IQAC.

1. IQAC recommended to HODs to look after budget expenses more cautiously. IQAC also suggested the HODs that make use of collaborating companies/other companies as first choice for arrangement of chemicals as free samples for PG student projects in case the cost of chemical is higher than ₹ 50,000/-. Also suggested that Departmental Budget allocation for the students should depend on efficiency prioritization of the respective projects judged by departmental experts.
2. It is advised to purchase all chemical & reagents, equipment only after Technical committee approval.
3. IQAC ensured the academic progressing details with HODs and Program heads.
4. Controller of examination put forth the dates of End examination to IQAC. IQAC approved the same without any change.
5. It is advised to R&D cell to initiate training to students on scientific presentation.
6. It was observed that there is need expert review for all courses theory & practical materials, in this regard Academic development cell shall submit appraisal report for the teaching and learning process, examination etc. by both internal /external academic audit
7. The Format and template used for Academic calendar and time table (class work /Examinations) should be a standard format all programs and it cannot be varied from year to year or program to program.
