How to participate

ISPOR India Andhra Pradesh Regional Chapter Virtual Poster Showcase (VPS 2020) provides a platform for presenting scientific research without barriers like the investment of time and money to travel to conference, at this very pandemic.

Virtual Poster Showcase (VPS) Clinical Pharmacy and Pharmacy Practice 2020 is primarily aimed at PharmD and postgraduate students of Pharmacy Practice, and research scholars as a way to improve their research presentation skills, which are influential in both academia and professional workplaces.

Four Phases of participation

Abstract submission, poster presentation, evaluation, and recognition.

Abstract submission: To participate in VPS Clinical Pharmacy and Pharmacy Practice 2020, researchers and students should first submit their abstract as first author. Abstracts must be in English limited to 250 words, and submitted within deadline specified. Abstracts should be concise and be able to appropriately describe your research within the character limit, abstract in PDF/Word Document format has to be attached. Provide 3-5 keywords.

Poster preparation and presentation

Participants can create their poster using PowerPoint.
Poster dimensions: 34 cm (width) and 20 cm (height) and you must save your file both in PDF/JPEG format.

Evaluation of Posters

Poster presentation will be evaluated by subject experts in the area of clinical pharmacy and pharmacy practice (Rubrics for evaluation includes: poster display and organization, scientific content, and ability to respond to the queries).

Recognition

Each registered participant will receive an e-Certificate of participation after completing all steps of the Virtual Poster Showcase 2020, including poster evaluation and responding to feedback from expert judges.

The best presentations (3 no's) will receive a-Certificate of merit and cash prize.

All the selected abstracts presented as posters will be published in the "ISPOR India Andhra Pradesh Chapter official News Letter: RIPER PDC BULLETIN."

Important Dates

September 20, 2020: Submission deadline for all abstracts.
September 23, 2020: Abstract acceptances will be announced.
Posters presentation will be from September 28 to 30, 2020.
