Subject: A Mobile Application for Persons with Disabilities – CapSarathi
       Developed by Sarthak – Education trust (providing services to persons with Disabilities)

Dear Sir/Madam,

We are all aware that special needs of any student, faculty and staff or an individual with disabilities needs to be addressed.

This is to bring to your kind notice that SARTHAK, an Educational Trust has been providing services to PwDs since 2008 and have successfully provided sustainable job opportunities to 20000 Persons with Disabilities (https://sarthakindia.org).

SARTHAK has now developed an application CapSarathi for reaching Divyangjans across India. The application would benefit the beneficiary by using the nearest referral service for undertaking vocational skill building and sustainable employment opportunities along with other important verticals.

About CapSarathi:
The app is developed in collaboration with Capgemini and aims at wider outreach and providing information, services and support to people with disability (PwD) at a click.

(https://sarthakindia.org/Capsarathi)
The app has been designed considering accessibility requirements of all disability categories and initially would support six languages namely Hindi, English, Tamil, Telugu, Kannada and Bengali. The app could be downloaded from Google Play Store and App Store using below link.

Playstore link :
https://play.google.com/store/apps/details?id=com.app.sarthak
Appstore Link : https://apps.apple.com/us/appcapsarathi/id1544617332

I encourage all the respective institutions to share about the said application CapSarathi, not only amongst its faculty, students and staff, who can further disseminate about this to their near and dear ones too. Team SARTHAK can be approached on their website and any further information/helpdesk are available PANINDIA.

(Prof. M.P. Poonia)
