Policy Document for Divyagjan

In February 2006, the Government of India launched a national policy for persons with disabilities which deal with educational rehabilitation of persons with disabilities; therefore in view of this RIPER has introduced below policies in the teaching - learning activities.

The policy's main priority includes:

1. To ensure that the design of the building such as ramp should be according to the disabled persons.
2. To ensure the accessible, gender-sensitive, safe, usable and functional washroom facilities should be provided for disabled persons.
3. To ensure that the appropriate text and pictogram signage, such as tactile paths, lights, display boards, and signposts, are available and ready.
4. Learners with disabilities need sufficient and effective help in and out of the classroom, including the right resources and assistive technology, as well as responsive leadership, teaching staff, and college communities.
5. To ensure that software tools and technologies are accessible to people with disabilities.
6. Provision for enquiry and information: Human assistance, reader, scribe, soft copies of reading material, screen reading.

Facilities available in campus:

- Disability friendly washrooms: The Institution has a disability friendly washroom.
- Ramp to enter the building: The Institution entrance has a ramp that is accessible to people with disabilities.
- Wheelchair facility for different disabled persons.
- Assistive technology and facilities for persons with disabilities.
- Human assistance facility for providing information.
