Guidelines for Abstract preparation and submission

IPAC 2021 Virtual Poster Showcase (VPS) provides a platform for presenting scientific research without barriers like the investment of time and money to travel to conference, at this very pandemic.

IPAC 2021 Virtual Poster Showcase (VPS) is primarily aimed at undergraduate and postgraduate students, and research scholars of pharmaceutical sciences, as a way to improve their research presentation skills, which are influential in both academia and professional workplaces.

Four Phases of participation

Abstract submission, poster presentation, evaluation, and recognition.

Abstract submission

To participate in IPAC 2021 Virtual Poster Showcase (VPS), researchers and students should first submit their abstract as first author. Abstracts must be in English limited to 250 words, and submitted within deadline specified. Abstracts should be concise and be able to appropriately describe your research within the character limit.

Poster preparation and presentation

Participants can create their poster using PowerPoint. Poster dimensions: 34 cm (width) and 20 cm (height) and you must save your file both in PDF and PEG format.

Evaluation of e-posters

e-Poster presentation will be evaluated by subject experts. Rubrics for evaluation includes: poster display and organization, scientific content, and ability to respond the queries.

Recognition

EACH REGISTERED PARTICIPANT WILL RECEIVE AN E-CERTIFICATE OF PARTICIPATION after completing all steps of the Virtual Poster Showcase 2021, including poster evaluation and responding to feedback from expert judges.

Oral Presentation

The 10 top scoring e-posters will be selected for oral presentation to be held during the IPA Annual Convention (IPAC 2021) on July 16 & 17, 2021.

THE BEST ORAL PRESENTATIONS (3 NO'S) WILL RECEIVE E-CERTIFICATE OF MERIT AND CASH PRIZE.

Who can participate

Undergraduate and postgraduate students, and research scholars of pharmaceutical sciences.

Areas of abstract submission

Research Papers are invited in the following subject areas:

- ◆ Biopharmaceutics & Pharmacokinetics
- ◆ Clinical Research & Drug Development
- ◆ Drug Regulatory Affairs & Intellectual Property Rights
- ◆ Hospital, Community & Clinical Pharmacy
- ◆ Pharmaceutical Medicinal Chemistry
- ◆ Pharmacognosy & Phytochemistry
- ◆ Pharmaceutical Analysis & Quality Assurance
- ◆ Pharmaceutical Biotechnology
- ◆ Pharmaceutical Education, & Management
- ◆ Pharmaceutical Technology
- ◆ Pharmacoeconomics & Pharmacoepidemiology
- ◆ Pharmacology & Toxicology
- ◆ Pharmacovigilance & Drug Safety

The technology required for presenters and the poster-viewing audience is minimal Broadband Internet connection and a current version of an Internet browser (Google Meet or Zoom Meet Platform).

Important Dates

Abstract submission deadline : July 2, 2021
Intimation of selected abstracts : July 5, 2021
Virtual poster showcase (VPS) : July 8 - 10, 2021
