First and foremost, I would like to convey my gratitude to the Co-Ordinator, organizing secretary, EBSB club members, Editorial members, and student volunteers of RIPER for bringing out the first volume of Ek Bharat Shreshtha Bharat (EBSB) newsletter.

I take great interest in informing you about the release of first volume of RIPER EBSB newsletter. This newsletter brings about the Faculty and student activities regarding the EBSB program along with their regular academic activities, co-curricular and extracurricular activities. Which makes RIPER one of the leading education centers in the region of Andhra Pradesh, India. I hope that this EBSB newsletter encourages many staff and students to use it as a platform to express their creativity in various fields of Punjab state like singing, dance, painting, debate, learning of Panjabi language, quiz competition, literature day, food festival (Punjab style), Pledge on Swachhata and single use of plastic etc. This first volume, compiles with activities during the period of January 2020 to December 2020.

AICTE, Department of Higher Education started this EBSB program with the invocation of our Prime Minister Narendra Modi Garu. EBSB aims to enhance interaction and promote mutual understanding between people of different states and union territories through the concept of states / UT pairing. The states carry out activities to promote a sustained and structured cultural connect in the area of language learning, culture, traditional, music, tourism, cuisine, sports and sharing of best practices etc. to the marginalized and the people in need. I feel happy when the bright and talented students perform remarkably well, moving towards excellence in the COVID-19 situation also. In all this, we have made every effort to be sensitive and compassionate towards the EBSB program in the institution.

### **EK BHARAT SHRESHTHA BHARAT (EBSB) Program**

EBSB aims to enhance interaction and promote mutual understanding between people of different states and union territories through the concept of states /UT pairing .The states carry out activities to promote a sustained and structured cultural connect in the area of language learning , culture , traditional , and music , tourism and cuisine , sports and sharing of best practices etc

**Background:** India is a unique nation whose fabric has been woven by diverse linguistic, cultural and religious thread, held together into a compatible national identity by a rich history of cultural evolution, coupled with a freedom struggle that was build around the tenets of non-violence and justice .The spirit of mutual understanding amidst a shared history has enabled a special unity in diversity, which stands out as tall flame of nationhood that needs to be nourished and future.

**Mission and Vision:** Time and technology have narrowed down distance in terms of connect and communication. In an era that facilitates mobility and outreach, it is important to establish cultural exchanges between people of different regions, as a means to further human bonding and a common approach to nation-building. Mutual understanding and trust are the foundation of India's strength. Student from the north-east, e.g. should not feel like strangers in strange land when they arrive in DELHI, or a person from uttarakhand should not feel like an outsider in kerala.
