

Dr. Kanala Somasekhar Reddy M. Pharm, Ph.D.
Associate Professor & Head, Dept of Pharmacology
drsomu@riper.ac.in, somu.reddyvaru@gmail.com
+91-9440730432, 7780755400

BIOGRAPHY:

Dr. Kanala Somasekhar Reddy is Associate Professor & Head in Department of Pharmacology, at Raghavendra Institute of Pharmaceutical Education and Research (RIPER), Andhra Pradesh, India. Dr. K. Somasekhar reddy has obtained his Bachelor's degree in Pharmacy from Raghavendra Institute of Pharmaceutical Education and Research (RIPER), Ananthapuramu, Andhra Pradesh, M. Pharm from Sri Venkateswara University, Tirupathi and Ph.D. degree in Pharmaceutical Sciences from Jawaharlal Nehru Technological University Anantapur (JNTUA), Ananthapuramu. Dr. K. Somasekhar reddy has 12 years of teaching & research experience, He has published **20 papers in reputed international and national journals in the areas of metabolic disorders and its complications, Neurodegenerative disorders**. He is also a reviewer for reputed journals like Indian Journal of Pharmaceutical sciences, MAT Journals.

His research interest is towards metabolic disorders, Neurobehavioral disorders Nephroprotective activity and hepatoprotective activity.

He is the recipient of **UGC MRP, AICTE international seminar grant, JNTUA faculty development programme, best faculty award – 2019. He also had patent publication.**

Dr. K. Somasekhar Reddy is a member of various professional bodies including Indian Pharmacological Society (IPS), Indian Pharmaceutical Association (IPA), and International Society for Pharmacoeconomics and Outcomes Research (ISPOR).

Dr. Manjoor Ahamad Syed *M.Pharm., Ph.D*

Associate Professor

Department of Pharmaceutical Chemistry,

manjoor@riper.ac.in, manjooras@gmail.com

+91-8985662396

BIOGRAPHY:

Mr. Manjoor Ahamad Syed is an associate Professor in Department of Pharmaceutical Chemistry at Raghavendra Institute of Pharmaceutical Education & Research (RIPER) – Autonomous. Dr. Manjoor has obtained his Bachelor's degree (2004) in Pharmacy from The Rajiv Gandhi University of Health Sciences (RGUHS) University, Bangalore, M. Pharmacy in Pharmaceutical Chemistry (2010) from the same RGUHS University and Ph. D Degree in Pharmaceutical Sciences (2019) from JNTUA Ananthapuramu.

Dr. Manjoor has 10 Years of teaching and research experience. He has published 5 papers in international journals in the areas of antitubercular, antifungal and antibacterial and *insilico* methods. He has good communication skills and expert in interpretation of IR and ¹H-NMR and has experience in the synthesis of some novel heterocyclic derivatives. He has participated in various conferences and seminars of National & International repute. He has delivered guest lectures on request at various institutions.

Dr. Manjoor is a member of Indian Pharmaceutical Association (IPA) and ISPOR Ananthapuramu local chapter. Currently he is guide for Undergraduate students and has also been recognized as Evaluator and Examiner for RGUHS, Bangalore and JNTUA, Ananthapuramu.

Dr. Mohanraj Rathinavelu. PharmD

Associate Professor, Department of Pharmacy Practice,
drmohan@riper.ac.in, moley4u@rediffmail.com

Dr. Mohanraj Rathinavelu received his Degree in Bachelor of Pharmacy (2006) and his Doctor of Pharmacy - Post Baccalaureate (2011) in Pharmacy Practice from The Tamil Nadu Dr. MGR Medical University, Chennai. He joined the Jawaharlal Nehru Technological University Anantapur, Raghavendra Institute of Pharmaceutical Education & Research (RIPER) Autonomous, where he teaches courses dealing with professional practice and patient care as Associate Professor and In-charge, Department of Pharmacy practice since November 2011. He worked in various grades as an officer in production and Assistant Manager in manufacturing, in-charge of GMP and GDP audits for two years (2006-08) in Baxter India Pvt Ltd, Alathur, Chennai, Tamil Nadu., India.

Dr. Mohanraj is a well-known academician, resource person, and researcher in the field of pharmacy practice with nearly 40 research papers in both national and international journals and 26 presentations as Resource Person/Speaker. He has convened nearly 3 international conference and 13 national conferences, and AICTE sponsored FDP and STTP; and presented 14 research papers has oral and poster in various national and international conferences; his research interests are Pharmacoepidemiology and Pharmacosurveillance in Psychiatry and Neurology, Evidence based medicine and practices.

Dr. Mohanraj Rathinavelu works with both National and International publication groups contributing his services as Editor-in-chief, Editor, Advisory board and Editorial board member, in the core area of clinical pharmacy and practice, health and allied sciences for 18 journals.

Life-Membership in professional bodies include: Indian Pharmaceutical Association (IPA), Association of Pharmaceutical Teachers of India (APTI), Indian Hospital Pharmacy Association (IHPA) and International Society for Pharmacoconomics and Outcomes Research (ISPOR).

Dr Mohanraj Rathinavelu is a Mentor ISPOR Asia Consortium Group, and Member Research Abstract Committee – Scrutiny Panel of ISPOR since 2014 and Executive Member: Indian Pharmaceutical Association (IPA) Hospital Pharmacy Division.

Dr Mohanraj Rathinavelu is Hon. Gen Secretary IPA Ananthapuramu Branch, President Elect ISPOR India Andhra Pradesh Chapter, Faculty Advisor – ISPOR RIPER Student Chapter, and Editor of ISPOR RIPER PDIC Bulletin.

Dr Mohanraj Rathinavelu is the Associate Editor of *iCare Bulletin* a quarterly publishing official e-news bulletin of SEARPharm Forum - The International Pharmaceutical Federation (FIP) Forum of National Pharmaceutical Organizations in collaboration with World Health Organization (WHO) Regional Office for South East Asia.

Dr P Ramalingam, M. Pharm., PhD (AU, India)

Director (Research)

Professor of Medicinal Chemistry

dram@riper.ac.in, drramalingamp@gmail.com

Biography

Dr. Ramalingam Peraman awarded PhD degree in Pharmaceutical sciences by Andhra University, India. He has a total of 17 years of experience, currently he is working as Director (Research) and coordinator (NBA/NAAC Accreditations) at Raghavendra Institute of Pharmaceutical Education and Research (RIPER) - Autonomous and recognized Research Centre by JNT University Anantapur. He received funding for 3 research grants, respectively from AICTE, DST-SERB, BIRAC-GYTI (worth of 65 lakhs). He published about 130 papers in SCI/SCIE/Scopus indexed journals and presented more than 40 papers in conferences across globe in the area of medicinal chemistry and analytical method. He guided/guiding 7 PhD scholars and 45 PG scholars in Pharmaceutical research, authored 2 books and one book chapter on AQbD in Elsevier publishing and an inventor of one patent. His current research areas are synthetic and semi-synthetic drugs for resistant anti-tubercular drugs, antimicrobial resistance (AMR) and AQbD / Stability studies. He is an awardee of Best Teacher Award by IPA (Anantapur local Branch) and GYTI Appreciation award 2016. He is a member Board of Studies (Pharmacy) for JNT University Anantapur (2016-18), current President - IPA-Local branch (Anantapur). He served as invited resource person and visiting faculty for many AICTE/UGC funded conferences and Universities. He also served as coordinator for GPAT online class organized by Govt. of AP, JNTUA and JNTUK. He is the founder and present editor of i-CARE e-new bulletin (official publication of SEARPharm forum) and recognized as AICTE sponsored participant to AICTE-UKIERI –Leadership Development Programme 2019, certified CPCSEA nominee by Ministry of Environment, Govt. of India, Doctoral committee member to PhD scholars of JSSAHE and SRM University.

Dr. Santhivardhan Chinni M. Pharm, Ph.D.

Associate Professor

chinni0143@riper.ac.in, chinni0143@gmail.com

+91-9885620668

BIOGRAPHY:

Santhivardhan Chinni is a pharmacologist with over a decade of experience in teaching and research. He obtained his PhD in 2014 for his contribution on drug interaction studies of hypoglycaemic herbs. He is a part of 10 research publications indexed in ESCI. He is a recipient of the Summer Research Fellowship by INSA in 2018. He has a hands-on experience with the surgical induction of stroke in rats. His research in the “exploration of post-stroke neurological recovery” has received a grant worth Rs. 10.5 lakhs from AICTE under RPS scheme in 2020. His expertise includes neuropharmacology, herb-drug interaction studies, and safety pharmacology. He is a curious learner and a facilitator. He introduced various online learning and MOOC courses to the students of RIPER, including NPTEL, NIH-Principles of Clinical Pharmacology, etc. He is a part of the three-membered committee for the information and communications technology (ICT) based teaching platform in RIPER. To collaborate on a potential line of academic/scientific work, you can contact him below.

His research interest is towards nanotechnology and artificial intelligence

Mr. M. E. Bhargav M. Pharm,(Ph.D.)
Teaching Assistant (RERDS-CPR)
ebhargav@riper.ac.in, bhargaveranti@yahoo.com
+91-9052510092

BIOGRAPHY:

Mr. E. Bhargav is teaching assistant at RERDS-CPR, Raghavendra Institute of Pharmaceutical Education and Research (RIPER), Andhra Pradesh, India. E. Bhargav has obtained his Bachelor's degree and M. Pharmacy in Industrial Pharmacy from JSS college of Pharmacy, Mysuru. E. Bhargav has 6 years of teaching & 4 years of research experience. He has published **8 papers in reputed national and international journals**. His research area is focused on development and optimization of antihypertensive, antimalarial (drug resistant strains) and topical antifungal formulations by Quality by Design technology. Currently he is pursuing PhD under Manipal Academy of Higher Education, Manipal.

E. Bhargav is a member of various professional bodies including Indian Pharmaceutical Association (IPA); International Society for Pharmacoeconomics and Outcomes Research (ISPOR).

Mr. P. Chiranjeevi, M. Pharm., (Ph.D.)
Research Associate,
chiranjeevi@riper.ac.in. chiranjeevi13bph.riper@gmail.com,
+91-9912730264

BIOGRAPHY:

Mr. P. Chiranjeevi is a Teaching Assistant in Molecular modeling & Drug Discovery Division, RERDS- Center for Pharmaceutical Research at Raghavendra institute of Pharmaceutical Education and Research (RIPER) – Autonomous, Anantapuramu, Andhra Pradesh, India. Mr. Chiranjeevi has obtained his Bachelor's degree and master degree in pharmacy from Raghavendra institute of Pharmaceutical Education and Research (RIPER) – Autonomous, Anantapuramu, Andhra Pradesh, India and Pursuing P. hD degree (category-3) in pharmaceutical sciences from Manipal Academy of Higher Education (MAHE), Manipal.

He has done his master degree in Pharmaceutical Analysis and Quality Assurance. During his Bachelor's degree he has done his research project entitled “**Anti-osteoporotic activity of ethanolic extract of soyabean seeds**” and during master he has done research project entitled “**Investigation on newer ion- pair reagents in method development by RP- HPLC for the selected drugs Aceclofenac and haloperidol**”.

He has one year teaching and research experience.

Mr.S.Hari hara sudhan. M.Pharm.(Ph.D), MBA,
Assistant Professor, Dept. of Pharmaceutics,
sudhan@riper.ac.in, sudhankrnt@gmail.com
+91-9177370338, +91-8825575055

BIOGRAPHY:

Myself, S.Hari hara sudhan, with blender experience in Industry and Academics for more than 17 years, enriching the pharmacy students with Microbiological, Biotechnological and Molecular biological knowledge. My vast 14 years of academic experiences includes noteworthy and sensible responsibilities like Academic committee member, academic In-charge, Academic co-ordinator (NAAC and NBA accreditation) and Co-ordinator for NBA reaccreditation. I feel the most challenging task in my carrier was conduction of Student elections at BRNCOP, Mandsaur. I successfully performed the task without any disturbances and nuisances during my tenure of 6 years at the Institute. Been part of organizing committee in more than 11 conferences, the notable was as a Head of registration committee member and successfully organised 2 international and 2 national level conferences at CESCOP, Kurnool with due appreciated accountabilities. Though the past research guidance and interaction with more than 40 students of graduate and post graduate was memorable, the kind of happiness which I got at the time of organising parent meet and sharing the academic performance with the parents was something different which is most memorable even now also. Success rate of more than 90% at the subjects taught along with positive feedback from the students energizes me to take "Teaching as a passion rather than a profession".

Though my research interest is to explore the Microbial world for fermentative production of various newer molecules, development of vaccines and molecular biology related, I prefer to guide the students who flare with their own research ideas.

S. Hari hara sudhan is a member of Indian Pharmaceutical Association (IPA) and Association of Pharmaceutical Teachers of India (APTI). He also served as Acquisition editor of International Journal of Green Pharmacy and Asian Journal of Pharmaceutics initially and promoted as Editor- in-Chief and served for the Journals during 2011 and 2012.

Mrs. S. Triveni M. Pharm.,
Assistant Professor
Department of Pharmaceutical Chemistry
triveni@riper.ac.in, s.trivenipharma@gmail.com
+91- 9533448273.

BIOGRAPHY:

Mrs. S. Triveni is Assistant professor, Department of Pharmaceutical Chemistry at Raghavendra Institute of Pharmaceutical Education and Research (RIPER) – Autonomous, Ananthapuramu, Andhra Pradesh, India. Mrs. S. Triveni has obtained her Bachelor's degree in Pharmacy from Jagans College of Pharmacy (JCP), Nellore, JNTUA, Andhra Pradesh, M. Pharm from Sri Padmavathi School of Pharmacy (SPSP), Tiruchanoor, JNTUA, Andhra Pradesh. Mrs. Triveni has **8 years** of teaching & research experience, she has **published 12 papers** in reputed International and National journals and **published one book** “**Experimental Pharmaceutical Biochemistry**” with ISBN Number: **978-93-90238-16-3**. She is **Editorial Board Member** in “**International Journal Foundation**”. Her research interest is **Computational Drug Discovery, Molecular Modelling, ADMET studies and Biological screening of Natural and Synthetic compounds**.

She is a ratified assistant professor in JNTUA Ananthapuramu, she has participated and also presented papers in various conferences, seminars, FDPs and workshops of National levels. Mrs. S. Triveni is a member of Professional bodies including **Indian Pharmaceutical Association (IPA) - AP/ANTP/LM/0026** and **International Society for Pharmacoeconomics and Outcomes Research (ISPOR) INDIA, Andhra Pradesh Regional Chapter – LM / 2018 / 049**.

sushmarathna@riper.ac.in, sushmakondapalli54@gmail.com

+91-9948116267.

BIOGRAPHY:

Ms. Sushma Ratna Kondapalli is Assistant Professor at Raghavendra Institute of Pharmaceutical Education and Research (RIPER), Andhra Pradesh, India. Ms. Sushma Ratna has obtained her Bachelor's degree in Pharmacy from Acharya Nagarjuna University College of Pharmaceutical Sciences, Guntur, Andhra Pradesh, M. Pharm from Sri Padmavathi Mahila Viswavidyalayam, Tirupati.

Ms. Sushma Ratna has 8 months of teaching experience.

Mrs.Yarra Sravani M. Pharm.
Assistant Professor, Department of industrial pharmacy
ysravani@riper.ac.in, sravaniy23@gmail.com
+918500078057,919347780993

BIOGRAPHY:

Mrs.Yarra Sravani is Assistant Professor, Department of industrial pharmacy, at Raghavendra Institute of Pharmaceutical Education and Research (RIPER), Andhra Pradesh, India. Mrs.Yarra Sravani has obtained his Bachelor's degree in Pharmacy and M. Pharmacy in Pharmaceutics from Dr. Samuel George Institute of Pharmaceutical Sciences, Markapur, Andhra Pradesh. Mrs. Sravani has 2 years of teaching experience in Raghavendra Institute of Pharmaceutical Education and Research (RIPER), Anantapur. She has attended different National, International seminars and webinars.

She has published an Article, Formulation and Evaluation of Controlled Release Floating Tablets of Venlafaxine HCl Using Almond Gum in International Journal of Current Trends in Pharmaceutical Research (IJCTPR), in the year of 2013.

Areas of Interest:

Formulation development and Evaluation

Novel drug delivery systems

Miss. Likithasree Pamisetty M.pharm

Assistant Professor, Dept of Pharmacology

likithasree@riper.ac.in likithasree2306@gmail.com

9154118858

BIOGRAPHY:

Miss. Likithasree Pamisetty is Assistant professor in department of Pharmacology at Raghavendra institute of Pharmaceutical Education and Research (RIPER), Andhrapradesh, India. Likitha has obtained her Bachelor degree as well as Master's Degree in department of Pharmacology at Raghavendra institute of Pharmaceutical Education and Research (RIPER), Andhrapradesh, India. Likitha has experience of 1yr 8 months in Medical coding and 8 months in teaching. She has published 2 papers in international journals. She is a GPAT qualified candidate in 2017 with 2115 rank. She has expertise in dosing in Rat, Mice and in blood sample collection. She is the recipient of Pratibha award scholarship for her Master's degree.

Mrs. Adabala Pavani, M. Pharm,
Assistant Professor
adabalapavani43@gmail.com
+91-8919992322

BIOGRAPHY:

Adabala Pavani is currently working as an assistant professor at Raghavendra Institute of Pharmaceutical Education and Research (RIPER). She had her under graduation at Viswabharathi College of Pharmaceutical Sciences, Guntur in 2008. Later, she worked as a project assistant at Therdose Pharmaceuticals Pvt. Ltd. For 2 years and joined at JSS college of Pharmacy, Ooty for her post-graduation in Pharmaceutical Analysis. Additionally, she completed Post graduate diploma in Regulatory affairs in 2013. After the completion of M.Pharm. in 2013, she joined as an Assistant Professor at Sree Vidyanikethan College of Pharmacy, Tirupati. Further, she moved to RIPER in 2018. She is skilled in theory & handling of HPLC (Shimadzu & Waters), UV Spectrophotometer, IR Spectrometer, Flame Photometer, Atomic Absorption Spectrophotometer, and Fluorimeter.

C.H. Mounika M. Pharm,(Ph.D.)

Research scholar

mounika.phar@gmail.com

+91-9550756055

BIOGRAPHY:

Mrs. C.H. Mounika is teaching assistant at Raghavendra Institute of Pharmaceutical Education and Research (RIPER), Andhra Pradesh, India. C.H. Mounika has obtained her Bachelor's degree from Pratishtha institute of Pharmaceutical sciences, Suryapet and M. Pharmacy in Pharmaceutics from Talla Padmavathi Pharmacy College, Warangal C.H. Mounika has 5 years of teaching. She has published **3 papers in reputed national and international journals**. Her research area is focused on development and optimization of a combinational drugs formulation by Quality by Design (QbD) technology. Currently she is pursuing PhD under Jawaharlal Nehru Technological University Ananthapuramu (JNTU-A)

C.H. Mounika is a member of various professional bodies including Indian Pharmaceutical Association (IPA).

Dr. Hindustan Abdul Ahad M. Pharm, Ph.D. FAGE.,
Professor & Head, Dept. of Industrial Pharmacy
Co-ordinator (PG studies)

drabdul@riper.ac.in, drabdulriperatp@gmail.com

+91-9440944899

BIOGRAPHY:

Dr. Hindustan Abdul Ahad is Professor & Head in the Department of Industrial Pharmacy, at Raghavendra Institute of Pharmaceutical Education and Research (RIPER), Anantapur, Andhra Pradesh, India. Dr. Hindustan Abdul Ahad has obtained his Bachelor's degree in Pharmacy from Sri K.V. College of Pharmacy, Chikkaballapur, Karnataka, M. Pharm from the Institute of Pharmaceutical Technology, Chidambaram (Annamalai University) and a Ph.D. degree in Pharmaceutical Sciences from JNTU, Hyderabad. Dr. Hindustan Abdul Ahad has 20 years of Academic, administrative & research experience. He has published **300+ papers in reputed national and international journals in the wide range of areas**. He is also a reviewer for reputed international journals like Heliyon (Science Direct-Elsevier), Pakistan Journal of Pharmaceutical Sciences (Pakistan), African Journal of Pharmacy and Pharmacology (Africa), Journal of Pharmaceutical and Cosmetic Sciences (Pakistan), Pharmaceutical Nanotechnology-Bentham sciences (London), Journal of Biological and Food Science Research (Egypt), and many more.

His research interest is towards natural excipients and novel drug delivery systems.

He was awarded as Best Educationist award-2015 by International Institute for Education and Management- NEW DELHI.

He is a ratified supervisor under JNTUA (Anantapur) and Pacific University (Rajasthan). Guided 2 Ph.D., and presently guiding 3 scholars under JNTUA.

Dr. Hindustan Abdul Ahad is a member of various professional bodies including, Indian Pharmaceutical Association (IPA); Association of Pharmaceutical Teachers of India (APTI); Indian Pharmacy Association; National Academy of Biological Sciences and more.

Dr. J. Ravindra Reddy, M.Pharm., Ph.D
Professor Department of Pharmacology
drravi@riper.ac.in riperravi1969@gmail.com

BIOGRAPHY:

Prof. Ravindra Reddy is a Vice Principal at Raghavendra Institute of Pharmaceutical Education and Research (RIPER), Andhra Pradesh, India. He has obtained his Bachelor's degree in Pharmacy from Gulbarga University Gulbarga, Karnataka. He did his Masters in pharmacognosy at Dr.MGR Medical University, Madras and obtained his Ph.D degree from Sri Krishnadevaraya University, Anantapur (AP). He has 22 years of teaching as well as research experience in the field of Pharmacognosy and Phytotherapy. **His research mainly focuses on phytochemical screening of medicinal extract, isolation of phytoconstituents and finally studies the pharmacological effect of the chemical constituent.** Prof. Ravindra Reddy so far has guided 40 under graduate, 20 Post graduate, 10 doctorate students to reach their goal and Published as well as presented his research work in national and international platforms. He received the **Dr. APJ Abdul Kalam Life Time Achievement National Award** from IISER, Bengaluru. He is life time member in many prestigious associations like Indian Pharmaceutical Association, Association of Pharmacy Teachers of India, Indian Pharmacognosy Association and Indian Pharmacists association. Prof. Ravindra also acted as an evaluator for UG, PG and Ph.D exams for prestigious organizations like Acharya Nagarjuna University, Kakatiya University, Andhra University, Rajiv Gandhi University of Health sciences and Dr. MGR Medical University.

Dr. Raghuv eer Varma Pemmadi M. Pharm, Ph.D.

Associate Professor & Head, Dept. of Pharmaceutical Chemistry

drvarma@riper.ac.in, drraghuv eervarma@gmail.com

+91-7981260379, 9030483129

BIOGRAPHY:

Dr. Raghuv eer Varma Pemmadi is a passionate Medicinal Chemist, currently heading the Department of Pharmaceutical Chemistry at Raghavendra Institute of Pharmaceutical Education and Research (RIPER), Andhra Pradesh, India. He also holds various administrative and research positions at RIPER viz., Research Coordinator-R&D Division, President-Institution Innovation Council & AICTE-National Innovation and Startup Policy (NISP) Ambassador. He is also recognized as an approved research supervisor by JNTUA to mentor PhD students.

After graduating from Bapatla College of Pharmacy in 2007 with a distinction in B.Pharmacy, Dr. Raghuv eer completed his M.Pharm. (2010) in Pharmaceutical Chemistry and Ph.D. degree (2015) in Pharmaceutical Sciences from Andhra University College of Pharmaceutical Sciences, Andhra University. He is a recipient of AICTE-GATE scholarship during his Master's degree and Ministry of Earth sciences Funded - Junior Research Fellowship during his Doctoral Studies.

Dr. Raghuv eer is also a recipient of prestigious Indian Science Academies' Summer Research Fellowship 2018, which laid foundation to pursue his postdoctoral research training (March 2019-Feb 2020) in a DBT funded project at Translational Health Group, ICGEB, New Delhi under the mentorship of Dr. Ranjan Kumar Nanda. His postdoctoral training gave him adequate experience in handling both drug sensitive and drug resistant laboratory and clinical strains of *Mycobacterium tuberculosis* (Mtb) in Tuberculosis Aerosol Challenge Facility (TACF, a BSL-3 facility).

His research interests include In-silico drug design and discovery of small molecules targeting Arginine Metabolism of *Mtb* and ESKAPE Pathogens, Preliminary phenotypic Screening of small molecules in bacterial and cell line models, Natural Product Isolation, Characterization and Bioactivity screening. He is one among the twelve participants to be selected from India for the prestigious UK-India Researcher Links Workshop (June 2019) on Tuberculosis Diagnostics, co-funded by Newton Bhabha Fund, British Council & Royal Society of Chemistry. He has published 10 papers in journals of national and international repute.

Dr Raghuv eer Varma is a Lead investigator for ATOMWISE funded Drug Discovery Project (Project ID: A19-391) and also a Co-Investigator for DST-SERB funded project (EMR/2017/004394).

With over 10 years of research experience, Dr. Raghuv eer Varma strongly believes in -

“Ideate, Work, Collaborate, Patent, Publish & Prosper.”

Dr Bogireddy Sahithi Pharm.D
Research Scholar & Dept of Pharmacy Practice
drsahithib@riper.ac.in, smileysaketha8@gmail.com
+91-9491536900

BIOGRAPHY:

Dr Bogireddy Sahithi currently pursuing her Ph D as a Full-time research scholar at Raghavendra Institute of Pharmaceutical Education & Research (RIPER), Autonomous under Jawaharlal Nehru Technological University Anantapuramu. received her Doctor of Pharmacy (2015) from Jawaharlal Nehru Technological University Anantapur, Raghavendra Institute of Pharmaceutical Education & Research (RIPER). After graduation, she joined as Assistant Professor in Saastra College of Pharmaceutical Educational and Research and later worked as Assistant Professor in the Department of Pharmacy Practice, RIPER for 4 Years. She also had done Training in Clinical Research, Clinical Data Management and Pharmacovigilance. She is a Certified SAS Base Programmer for SAS 9. Her research interests are Pharmaceutical care, Community health, MTM (Medication Therapy Management) services, Telemedicine, Pharmacovigilance, Pharmacoeconomics and Public Health. She had received Best Young Teacher Award – 2018 for recognizable academic performance towards teaching and counselling to the student community by Board of Governors and Academic Council, Raghavendra Institute of Pharmaceutical Education and Research in 2018. She had 5 publications as author and co-author. She had participated in conferences and seminars of both National & International levels and also won some prizes. She won National Level Second Prize at Women’s Forum during 68th IPC for National Level PowerPoint Competition for Women Pharmacist’s with the theme of “Pharmacy Practice in India” conducted by Pharmacist Organization for Women Empowerment and Research (POWER). She is also an active member of the International Society for Pharmacoeconomics & Outcome Research – ISPOR, Indian Pharmaceutical Association (IPA), Anantapuramu local branch, Association for Doctor of Pharmacy (ADP). She had experience as Student Editor of RIPER – PDIC Bulletin.

Dr. Bhupalam Pradeepkumar M. Pharm., PhD

Associate Professor & Head, Department of Pharmacy Practice

E Mail: drpradeep@riper.ac.in , bhupalampradeep@gmail.com ,

Phone No: +91 9985968504

Biography:

Dr. Bhupalam Pradeepkumar graduated from Jawaharlal Nehru Technological University in 2006, received master's degree from Annamalai University in 2008 & Doctorate degree in Pharmaceutical Sciences from Jawaharlal Nehru Technological University Anantapur in 2017. Currently he is working as an Associate Professor & Head in Dept. of Pharmacy Practice at Raghavendra Institute of Pharmaceutical Education and Research, Anantapur & ratified in Jawaharlal Nehru Technological University Anantapur (JNTUA).

He has organized AICTE sponsored short term training program (STTP) as coordinator and two conferences as co-convener. He has published 2 books, 2 patents & 40 research papers in various National & International journals. He is invited as resource person in various seminars, conferences, short-term training programs, faculty development programs and quality improvement programs. Currently, he is working on a UGC Project (Title: Drug interaction study of anti diabetic with anti-depressants). He expertise in the area of ethnopharmacology, clinical pharmacology & community medicine, pharmacoeconomics and pharmacovigilance.

He is life member in various professional bodies including Indian Pharmaceutical Association (IPA) & International Society for Pharmacoeconomics and outcomes Research (ISPOR). He is executive member in IPA-Anantapur local branch and International Society for Pharmacoeconomics and Outcomes Research-India Andhra Pradesh chapter.

Dr.ISHRAR S.M.G

I have Completed My Graduation(Bachelor of Pharmacy) From Fathima Institute of Medical Sciences, Affiliated under Jawaharlal Nehru Technological University (Jntu), Anantapur in 2012 And Completed Pharm.D (Post Baccalaureate) from Raghavendra Institute of Pharmaceutical Education And Research (Riper),and Anantapur in 2016-jan.

Later I have completed my post-graduation diploma in pharmacovigilance and clinical research from ICFIA in the year 2016-march .Thereafter I Started Working at Raghavendra Institute of Pharmaceutical Education And Research, Anantapuramu, Where I Currently Holds a Position as an Assistant Professor in Department of Pharmacy Practice. Till now I have been Instructor for Pharmacotherapeutics, Pharmacoepidemiology, Pharmacoeconomics and Pharmacovigilance, hospital and clinical pharmacy Subjects for Pharm.D. And Post Graduate Courses.

I Have an Experience in Conducting Various Pharmacoepidemiological Studies In Hospital Setting. I Have Attended Few International Conference as Co-Chairperson and Scientific Committee Coordinator. I have Received Appreciated for Best E-Poster Held at (Ncpeor) National Conference on Pharmacoeconomics and Outcomes Research. Currently there are 10 Scientific Publications in my Credit. Total Citations of His Publications are 104 With Sci-Index and Scopus Indexed.

Ishrar Shaik Currently holds a position as editorial member of Acta Scientific Pharmaceutical Sciences Journals and Working as Elected Director Member of International Society for Pharmacoeconomics and Outcomes Research (Ispor)-AP Chapter, India and Executive Editor for Ispor AP –Riper Pdic Bulletin, Member in Indian Pharmaceutical Association (IPA),also working as nursing coordinator in RDT nursing school .
