B.2.1 Student Faculty Ratio (No of Faculty as per the sanctioned intake):-

(To be calculated at Department Level)

No. of UG Programs in the Department (n): **01 (B. Pharmacy)**

No. of PG Programs in the Department (m): 04 (PA &QA, Ph. Ceutics, Ph. Cology,
Ph. Practice).

No. of Students = Sanctioned Intake (S.I.) + Actual admitted students through Lateral Entry (L.E.), if any

(The above data to be provided considering all the UG and PG programs of the department)

S = Total Number of Students in the Department

F = Total Number of Faculty Members in the Department

Student Faculty Ratio (SFR) = S / F

C. Criterion wise Compliance Status

S. No	Criteria	Observations made by NBA (During the last accreditation visit)	Compliance status (Action taken by the institution)
1	Vision, Mission & PEOs	<ul style="list-style-type: none"> The institution is about 12 years old and has consistently improved. The mission & vision are good at present. PEO's need to evolve and change to have more focus in coming years, this certainly needs some time. 	<p>Complied.</p> <p>In focus to further development, and improving the standards of education, from the academic year 2016-17, our institution conferred UGC autonomy and furthermore PEOs are being redefined and reviewed based on the inputs and outcome from various surveys of stakeholders. The appropriateness was assessed and approved by various statutory bodies like Governing body, Academic Council, Board studies and other expert opinions from time to time. The academic development committee consistently reviewing the academic performance, placements record and other achievements to evolve PEOs through continuous development.</p>

In addition, the existing syllabi and its POs are meeting the graduate attribute defined by Pharmacy council of India, NBA and program specific criteria of reputed foreign universities. Thus existing POs shall enlighten the graduate competency towards employability, leadership, and problem solving and teamwork ability of graduate.</p>
3	Curriculum Design, if applicable	<ul style="list-style-type: none"> • Curriculum is good & is common to all the constituent colleges. • The component of academia industry interaction needs augmentation and improvement through various means. 	<p>After the conferment of UGC autonomy from ACY 2016-17, the existing academic council and Board studies included members from Industry to uplift the industry – academia interactions. Upon input from alumni, an “Industry Institution interaction cell” was developed and currently few topics of curriculum were taught by visiting faculty from Industry. So far a total of 47 sessions by Industry experts were conducted in between 2013-2017 for UG/PG programs.</p>

Chairman Evaluation Reports – Weakness

S. No	Observation made by NBA	Actions taken by Institute
1	Interaction with multinationals need to be improved.	<ul style="list-style-type: none"> • Institute has signed MoUs with The Toledo University, USA for Research collaboration, student and faculty exchange, and Yenopoya University for research collaborations. • Institute is under MoU with RDT hospitals where experts from Spain periodically visiting and guiding our students in the field of community /clinical pharmacy related area. • Institute has organized Indo-US and Indo-European conferences to explore interactions with multinationals. • Institute has organized international day for the admitted students of UG/PG programme with invited experts of foreign origin, and foreign students from other institutions as well. • From ACY 2013-14, the institute has obtained PIO/FN permission from AICTE to admit Multinational students. • Five invited sessions from scientists from US, UAE, Malaysia were conducted. • We have established “Officer of Foreign Affairs” for facilitating and interaction with students and professionals of abroad.
2	Formal career guidance and advice to students is necessary in backward region like this.	<ul style="list-style-type: none"> • From ACY 2014-16, Dr K Somasekhar Reddy was appointed as Placement cell officer, and the placement cell continuously organizing career Guidance programme for Final year and Third year students of B. Pharm and M. Pharm. • So far there were 9 career guidance sessions have been conducted and documented. • Mock – Interview sessions were also conducted by invited HR personnel from industry. • To improve the technical skills of the students, the skill development programme and training for our graduates were conducted under NSDC, Govt. of India.
3	No Language Laboratory	<ul style="list-style-type: none"> • Language laboratory is established with computers, with adequate accessories, communications skills software, audio-visual aid. • Mr. K. Ravi Sankar and Mr Yohesh were appointed for the same. • In addition to curricular work, for all B. Pharm /M. Pharm students 1 hour/week is designed to enhance their communication skills, interview skills, GRE, ToEFL coaching.

4	It would be desirable to have in campus hostel though authority state that due to security concern this has not been planned yet.	At the time NBA visit itself, experts have satisfied the reason for not holding hostel at campus. This is due to the rural location of the institute (12 KM far from town/medical facility), thus the medical facility for emergency /safety is not feasible. However, the matter was discussed in the parents meeting. No parent /students has accepted the proposal.
5	One language lab should be developed	Language laboratory is established with computers, with adequate accessories, communications skills software, and audio-visual aid.
6	The PEO and Pos should be continuously evolved with respect to local needs and environments	The College Academic Cell, continuously acquiring feedback/survey from all stakeholders such as parents, alumni, employers, faculty, experts, etc. regarding their need and the new PEOs and POs for B. Pharm programme was redefined and it was approved by Governing body meetings. The opinion on the new PEOs and POs from various stakeholders especially from Employers/experts from other university was good.
7	The College needs to contribute to quality library resources like Bentham and Elsevier to upgrade the availability of international journals to the students since the college run PG courses as well are more relevant	Based on that the institute developed additional library for PG programme with 60 seat capacity with total 19 e-journals, 102 hard copy journals, licensed software on Delnet (AICTE recommended), Micromedex (Vans Health Science - USA) and Medicinescomplete from Royal Pharmaceutical Society – London, UK. tools (for collection of all medical /basic sciences discipline content from Elsevier, Bentham, Wiley, etc.
