| 4 | It would be desirable to have in campus hostel though authority state that due to security concern this has not been planned yet. | At the time NBA visit itself, Experts satisfied the reason that due to the rural location institute and 12 KM far from town/medical facility it was not feasible. However, the matter was discussed in the parent meeting and no parent /students accepted the proposal. |
| 5 | One language lab should be developed | Language laboratory is established with 60 computers, with adequate accessories, communications skills software, audio-visual aid. |
| 6 | The PEO and Pos should be continuously evolved with respect to local needs and environments | The College Academic Cell, continuously acquiring feedback from all stakeholders such as parents, alumni, employers, faculty, experts, etc. regarding their need and the new PEO and PO for B. Pharm programme was redefined and it was approved by Governing body meetings. The opinion on the new PEO and PO from various stakeholders especially from Employers/experts from other university was good. |
| 7 | The College needs to contribute to quality library resources like Bentham and Elsevier to upgrade the availability of international journals to the students since the college run PG courses as well are more relevant | Based on that the institute developed additional library for PG programme with 50 seat capacity with total 19 e-journals, 102 hard copy journals, licensed software on Delnet (AICTE recommended), Micromedix tools (for collection of all medical /basic sciences discipline content from Elsevier, Bentham, Wiley, etc. |
