The Indian Pharmaceutical Association (IPA) Annual Convention (IPAC 2021):
Reimaging Pharmacy in the 21st Century: Transformational Changes Ahead
IPAC 2021 Report

Respected Sir/Ma'am,

The Indian Pharmaceutical Association Annual Convention (IPAC 2021) Virtual on theme “Reimaging Pharmacy in the 21st Century: Transformational change ahead” envisage constructive potentials and enhances impact of the profession of pharmacy in the context of recent trends, evidence and policies. The Convention was organized along the lines of three broad themes delivered by eminent speakers: Drawing from experience, Future ready learning and Digitalization of pharmacy education.

The convention also included Student Corner: Placement Conclave held during July 17, 2021, and Virtual Poster Showcase for Students, Research Scholars and Academicians held during July 8 to 11, 2021. The Indian Pharmaceutical Association Annual Convention (IPAC 2021) was organized by the Indian Pharmaceutical Association (IPA) Anantapur Local Branch in association with Raghavendra Institute of Pharmaceutical Education and Research (RIPER) Autonomous held during July 16 and 17, 2021.

The Indian Pharmaceutical Association Annual Convention (IPAC 2021) drew nearly 1072 registrations with nearly 904 students and research scholars, 156 academicians and 12 regulatory and industry professionals, and 377 abstracts were received for the Virtual Poster Showcase.

COVID 19 Helpline and Information Center

Helping people find useful information

Launch of COVID-19 Helpline and Information Center
An initiative for helping people get the right information to stay healthy, is more important than ever in the face of a global pandemic like COVID-19, made by JNT University Anantapur in association with the prestigious Indian Pharmaceutical Association (IPA) Anantapur Local Branch.

Function of COVID-19 Helpline and Information Center
The COVID-19 Helpline and Information Center provides unbiased and updated information about COVID-19 obtained from trusted information resources made available in World Health Organization (WHO); Centers for Disease Control and Prevention (CDC); Ministry of Health and Family Welfare (MoHFW) Government of India; and Health, Medical and Family Welfare Department, Govt of Andhra Pradesh.

COVID-19 Helpline and Information Center and services are operated in Anantapur, Kurrut, Kothap, Chittoor, and Nellore districts of Andhra Pradesh, supported by Raghavendra Institute of Pharmaceutical Education and Research (RIPER) Autonomous, Sanchiram College of Pharmacy (SRCP), Annamacharya College of Pharmacy (ANCP), Sri Radhadevi School of Pharmacy (SRSP), Seven Hills College of Pharmacy (SHCP) and Sun Institute of Pharmaceutical Education and Research (SIPER) respectively.

Note: This is an information resource only, not a substitute for any professional diagnosis or treatment. Please consult your healthcare provider before making any healthcare decisions. The helpline and information centers have no liability whatsoever suffered as a result of your reliance on the informations provided.
