First and foremost, I would like to convey my gratitude to the Editorial-in-chief and Editor for continuing of bringing out a college newsletter volume 4. This newsletter talks about the faculty and student achievements, Faculty recognitions, ongoing research projects, research papers, conferences, various co-curricular and extracurricular activities which make RIPER one of the leading education center in INDIA. I hope that this newsletter encourages many staff and students to use it as a platform to express their creativity. In this volume we have tried to compile last two years (2019 and 2020) events and achievements. The ways we teach and the ways our students learn are unique and creative. Consistently, we never hesitated to look into our deficiencies and transform us to an efficient agent of social change. Many critics would confirm that the College has substantially contributed to the process of National Development by providing quality education and thereby enabling the students to become globally competent. This will certainly go a long way in enhancing quality in education in accordance with the objectives of the institution and in serving society at large with sensitivity and commitment. We envisage, in the coming years, interdisciplinary research in pharmaceutical sciences. Education is not an act of acquiring knowledge but learning a skill to lead life and forming one's personality. This is an ennobling process of growth. I can boldly say that we have excelled in every initiative that we undertook and we have stood together in facing the challenges in realizing quality education. In all this, we have made every effort to be sensitive and compassionate to the marginalized and the people in need. I feel happy when the bright and talented students perform remarkably well, moving towards excellence.

VICE-PRINCIPAL'S MESSAGE

Dr. J. Raveendra Reddy, *M. Pharm., Ph.D.*,
Professor & Vice - Principal

I am happy to know about the release of fourth volume of RIPER Pharma Newsletter from Raghavendra Institute of Pharmaceutical Education and Research. I would like to express my deep gratitude to editorial board members and supported staff for their constant support and concern towards making of RIPER Pharma Newsletter which enables and encourages us to strive hard to carry forward the mission of spreading value-based knowledge to one and all in the society.

In my opinion education is the vehicle of knowledge, self-preservation and success. Education not only gives us a platform to succeed, but also the knowledge of social conduct, strength, character and self-respect. The greatest gift education gives us is the knowledge of unconditional love and a set of values. We are incomplete without a good education because education makes us right thinker and correct decision maker. In such a competitive world, education has become a necessity for human beings after food, cloth and shelter. With this in mind, we work hard to enhance every student here, at RIPER College, the transformational impact on the quality of education, introducing value-based education in order to develop personality and earn recognition and respect in the family and society.

ACADEMIC DIRECTOR'S MESSAGE

Dr. V. Uma Maheshwara Rao, *M. Pharm., Ph.D.*

Academic Director

It's my privilege to state that RIPER institute was established by a group of pharmacy professionals, exceptionally dedicated team of staff's who rendered their endless support and efforts to steadfast in the colleges of Pharmacy education in INDIA. The infrastructure with the most sophisticated lab equipment with a future vision makes the RIPER college a conducive academic learning that provides students with quality education in a clean, comfortable and green environment. I am sure that most parents would have a major attraction to such a specialized institution to educate their wards and enable them to grow in a caring environment to adopt a meaningful and successful career. I am very much pleased to know that our college is releasing fourth volume of newsletter that records institutional, staff and student activities in the curricular and co-curricular endeavors.

EDITOR-IN-CHIEF'S MESSAGE

Dr. P. Ramalingam, *M. Pharm., Ph.D.*,
Director, Research & Development Cell
(Former) Dr. Vijay Chidrawar *M. Pharm., Ph.D.*,
Director, Research & Development Cell
(Present)

Welcome to the fourth issue of RIPER Pharma Newsletter of Raghavendra Institute of Pharmaceutical Education & Research – Autonomous, Ananthapuramu. Starting from first issue it's my pleasure and honor to be the Editor-in-chief of this Newsletter. I express my gratitude to the principal of RIPER for assigning such an important role. I like to introduce Dr. Vijay Chidrawar as an Editor-in-chief to continue the newsletter. Newsletter is becoming more important for the institute due to providing the information to both teacher and student community. RIPER Pharma Newsletter has been developed to provide timely updates about various activities in the college like research projects, research publications, faculty and student achievements, various co-curricular activities and extra-curricular activities offer an insight into the highly vibrant atmosphere in the college at any given time. This newsletter talks about the people and the programs which make RIPER one of the leading education centers in INDIA.

EDITOR'S MESSAGE

Mr. C. Naresh Babu, *M. Pharm., (Ph.D)*
Assistant Professor

Greetings to all our readers, with great joy we present the fourth Issue of "RIPER Pharma Newsletter". A thought that has been enduring in mind when it becomes real is truly an interesting and exciting experience. This news letter was one such cherished work that had its roots in the persuasion. Proper communication plays a vital role in institution development. This Newsletter has served to reinforce and allow increased awareness, improved interaction and integration among all faculty and students of RIPER.

The progress of the institute is mainly depending on many people who are working behind the scenes, overtime round the clock planning things to the smallest. This Newsletter is a medium to provide proper acknowledgement and respect all of those efforts and its results. I hope that this Newsletter encourages many staff and students to use it as a platform to express their creativity. In this fourth issue of Newsletter, we have tried to compile faculty and student's achievements, recognitions, research publications, conferences organized and attended, Co and extra-curricular activities – NSS, Sports etc.

We hope to continue this initiative taken by us and produce many more issues of this newsletter for you. Hope you find pleasure going through this newsletter.

Our Institution at a glance

Raghavendra Institute of Pharmaceutical Education and Research (RIPER) is synonymous with high quality of Pharmacy education. The institute was established by a group of pharmacy teachers in the year 2002 under Raghavendra Educational and Rural Development Society (RERDS) with Reg. No.198 /2001.

RIPER started in the year 2002 with Bachelor of Pharmacy (B. Pharm) followed by Diploma of Pharmacy (D. Pharm) and has attained enormous growth by offering Master of Pharmacy (M. Pharm) in various specializations such as Pharmaceutical Analysis, Pharmaceutical Chemistry, Pharmaceutics, Pharmacology, Pharmacy Practice, Industrial Pharmacy, Pharmaceutical Quality Assurance and Doctor of Philosophy (Ph.D.). It is our pride to inform that we are conducting Pharm. D (Doctor of Pharmacy) Programme (Six years integrated course) and Pharm. D (Post Baccalaureate) by giving exposure to the students at various National Hospitals.

RIPER is one of the largest premier pharmacy institutes in the country, approved by All INDIA Council for Technical Education (AICTE), Pharmacy Council of INDIA (PCI), New Delhi and affiliated by Jawaharlal Nehru Technological University Anantapur (JNTUA), Andhra Pradesh, INDIA.

RIPER is conferred with Autonomous Status according to the 2 (f) and 12 (B) as per University Grants Commission (UGC) for a period of six years w.e.f. 2016-2017 to 2021-2022. The college is accredited by National Board of Accreditation (NBA), New Delhi for under graduate course (UG) and National Assessment and Accreditation Council (NAAC) with "A" grade.

The infrastructure available makes the college a conducive academic learning that provides students with quality education in a clean, comfortable environment. The college is functioning as self – financed institution in its own lush green and noise free campus, located on the highway to Chennai from Ananthapuramu, just adjacent to Sri Krishnadevaraya University (SKU), Anantapur.

The admission intake procedure, academic regulations are followed as per respective regulatory bodies of Govt. of INDIA / Govt. of Andhra Pradesh. The institute location i.e., Ananthapuramu (Anantapur) is proximal to many historical places for tourism like, Puttaparthi Prashanthi Nilayam, Lepakshi, Nandhi Hills, Belum Caves, Mantralayam Raghavendra Swamy Matt, Yaganti, Kadiri, etc.

Mission

To enable our students to develop into outstanding professionals and aware of the immense responsibilities to make the world better in the field of pharmacy.

Vision

To create professionally competent and socially sensitive pharmacists, capable of working in multifaceted environment with newer evolving technology.

Quality Policy

Dedicated to impart quality pharmacy education and training leading to “Degree in Pharmacy” and aims at being a global education and research institution through continual improvement and effectiveness of the quality system.

Short Term Goals

- Begin campaign plans on developing RIPER as renowned institute in the state for quality pharmaceutical education.
- Enhance and upgrade laboratory environment with the appropriate industry recommended technology.
- Establish various units to encourage education with industry orientation and research developmental activity.
- Pursue opportunities for students by establishing various units like placement, training, industrial interaction and research cell.

Long Term Goals

- Develop RIPER as center of excellence for pharmacy in the country.
- Pursue industry, research institution collaboration across the globe with adequate contribution to down trodden community.
- Enhance to pursue research grants and number of intellectual property in pharmaceutical and socioeconomic health Research.

Institution - Achievements / Merits

- First Pharmacy institute to be established by pharmacy professionals in Andhra Pradesh.
- The first institution to be permanently affiliated by Jawaharlal Nehru Technological University Anantapur (JNTUA), Ananthapuramu, Andhra Pradesh.

- RIPER is the very first pharmacy institute to establish Post-graduate Programme in Pharmaceutical Analysis and Quality Assurance (PA & QA) and Pharm. D Programme affiliated to JNTUA Ananthapuramu.
- The first pharmacy Institute conferred fresh autonomous status in the country by University Grants Commission (from the year 2016-17 to 2021-2022).
- The institute was recognized by University Grants Commission (UGC) under section 2 (f) & 12 (B) of the UGC Act 1956.
- Very first Institution to be accredited by National Board of Accreditation (NBA) for UG Programme under Tier II.
- RIPER bagged 20 in the year 2016, 39 in the year 2018, 63 in the year 2019, 55 in the year 2020 and 2021 in Pharmacy category in INDIA as per the National Institute Ranking Framework (NIRF), Ministry of Human Resource Development (MHRD), Government of INDIA.

- RIPER recognized as research institution under Scientific Industrial Research Organization (SIRO) by Department of Scientific & Industrial Research (DSIR), Ministry of Science & Technology, Government of INDIA.
- First institution to be recognized as Research Centre under JNTUA to carry out full time PhD (Doctor of Philosophy) in Pharmaceutical Sciences.
- Highest number of ratified Ph.D. supervisors / ratified faculty members Under JNTUA.
- The very first pharmacy institute to empaneled for Knowledge partnership with National Health Systems Resource Centre (NHSRC) in Healthcare Technology (Ministry of Health and Family Welfare Government of INDIA).
- The Institute bagged AWARD FOR INTELLECTUAL CAPITAL from faculty Branding Awards 2014 in Education Expo TV (Eet Crs).

- The Head of Institute – Principal, bagged BEST DIRECTOR / PRINCIPAL from Faculty Branding Awards 2014 in Education Expo TV (Eet Crs).
- Received the Best Private Pharmaceutical Institute in Andhra Pradesh – Education Excellence Award 2013 – One Planet Research (Indo – Italian Research Center).
- RIPER, established Drug Testing Laboratory approved by Drug controller authority of INDIA.
- RIPER, established DST FIST Laboratory in 2017 supported by Department of Science & Technology, Government of INDIA under level 0, which enabled us to provide the facilities like Differential scanning calorimetry, Gel-doc system, Semi-Automatic Cryostat Microtome and Elisa reader etc.
- First institute to establish GPAT cell to offer extensive coaching for GPAT and other Competitive examinations.
- Recorded highest GPAT (Graduate Pharmacy Aptitude test) qualified students in the region since 2009.
- Frequent Guest lectures / Workshops / Seminars from Eminent Resource persons from Industry / academia.
- More than 90 percent placement for PG students since 2010.
- Documented more than 70 percent of UG students for higher studies.
- All the faculties are registered with the state pharmacy council as pharmacists.
- All faculties have professional life members of Indian Pharmaceutical Association (IPA).
- RIPER, Headquarters for ISPOR (AP Chapter) & Student Chapter, IPA-Ananthapuramu local branch and RSC Deccan – RIPER Branch.
- For the clearance of ethical issues in research related to animal and human subjects, CPCSEA approved Institutional Animal Ethical Committee (IAEC) and RDT hospital supported Institution Review Board (IRB), have been established.
- The RIPER institution also recognized as research Centre (full time PhD admission) for pharmaceutical sciences by Manipal Academy of Higher Education (MAHE) as appraisal to the existing facility suitable for conducting quality research.
- In the year 2017, with the help of AICTE-RPS we have upgraded the formulation facility with Lyophilizer, particle size analyzer, Stardrop-Derek Nexus (Toxicity studies) and Zeta potential analyzer etc.

- In the year 2019, with the support of DST-SERB grant, we have upgraded with Radley Carousel parallel synthesizer 12 station, rotary evaporator for the chemical synthesis and separation and also established *in silico* molecular modelling unit where homology modeling, virtual screening/molecular docking of natural and synthetic molecules on the protein/ receptor structure and ADME studies can be performed.
- In the Year 2020, with the support of AICTE-MODROB/Rural, we have upgraded with waters HPLC.
- ISO 9001 : 2015 certification (Q91864141913) for providing educational services in accordance with the requirements of the quality standards.
