WOMEN EMPOWERMENT CELL(WEC) – RIPER 2025

Objectives:

1. To promote the inquisition of women's participation in science & technology programs and symposia.
2. To identify the skills of young girls in different areas and provide knowledge on entrepreneurship and tools available for business development.
3. To conduct seminars, workshops, and conferences on women's health issues and self-defences.
4. To empower women with strong leadership qualities, women's rights, and social responsibility.
5. To create awareness of gender equality and prevention of sexual harassment.

Measures

- To discuss all gender-related concerns and to create an environment that facilitates gender equality within the organization.
- To conduct regular meetings to discuss different facets of gender equality and women's empowerment.
- To examine various concerns complained about by the women and to take appropriate action against them, as well as planning a strategy to avoid recurrence in the future through effective planning and stringent actions.
- To conduct women's day celebrations and any other programs related to women empowerment etc.
- To recruit one women faculty head in various committees.
- To empower women faculty and students Entrepreneurship related programs should be conducted.
